WELCOME

AEON is the leading glass hardware brand modernizing frameless shower doors and enclosures and heavy glass entrance systems. Part of Precision Glass Industries, a Houston-based commercial custom glass fabricator, AEON Glass Hardware offers current, superior, and durable clamps, clips, handles and knobs, hinges, sliding door sets, shower door vinyl, and towel bars.

Precision Glass Industries specializes in shower doors, commercial insulated, laminated glass, glass railings, wall partitions, and heavy glass entrance systems. Since quality glass fabrication is our forte, we understand quality hardware and stand behind the AEON brand that is made to endure the test of time and beautify any classic or modern look.

QUALITY

AEON is about providing high-quality, premium grade, and sturdy finish hardware materials to resist rust and corrosion. We ensure that the investment made on AEON Glass Hardware will add overall value, appearance, and style that will last many years.

DESIGN

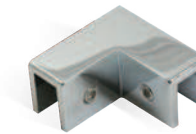

The hardware is the finishing touch to complete your renovation. AEON prides itself in offering the latest styles, colors, and finishes to impact any décor and design taste with the balance of functionality to make your life less stressful and more joyful when you step through your beautiful glass doors.

CLAMPS & CLIPS

Rounded profile AURORA clamp and clip styles creates a smooth edge over the shower door. Easy to install and long-lasting, AURORA is a must-have style that adds a classic touch to your bathroom.

SLIDING DOOR SETS

Sliding shower doors are ideal for adding functionality and updating the entire shower door look. AEON offers three sliding door hardware styles from modern to luxurious to suit your design needs.

EUROPA is a minimal design hardware that gives the enclosure an almost floating appearance.

PANDORA provides a luxurious and soft décor showcasing the beauty of the glass enclosure.

TRITON is a two-door bypass with four modern rollers on each door to ease access in full-standing showers or above bathtubs.
