# DESIGN

Precision Glass Industries fabricates custom, high-quality frameless glass for all glass wall and entrance systems.

PIRAS stands for Precision Install-Ready Architectural Systems that bring simplicity and ease of installation to your glass wall or entrance requirements.

Meticulously fabricated by our experienced team at our Houston facility, PIRAS is made of heavy glass featuring pre-installed door rails, panic hardware accessories, and patch and pivot fittings with a wide variety of pulls, ready to install at your site.
